THANKS FOR COMING IN!

We hope everything was great! We want Trueman's Place to be the first place you think of when dining out. The place you go before and after the game, OR if your friend's dad's season tickets fell through, the place where you'd watch the game. This is the place where you can kick back, have a cold beer and a good meal at a great price! I guess what we are trying to say is

"We want Trueman's Place to be Your Place."

And well, we wouldn't mind if it became your best friend's Place, his friend's Place, her friend's Place...you know what we mean!

Thanks again and we look forward to seeing you real soon.
